LAURA BARNES

Laura grew up in Pearl River, New York, where she was able to visit the major museums of New York City, including the Metropolitan Museum of Art. These visits, combined with outings to upstate New York and Canada, formalized her art appreciation for nature and the works of such artists as Henry Matisse and Vincent Van Gogh. When her family moved to California in the 1970's, Laura began her formal art training at Chapman University in Orange, California where she received her Bachelor's Degree in Art. In 2005, Laura had two works on display at the Contemporary Art Competition at the Millard Sheets Art Gallery sponsored by the Smithsonian Institute. Laura continues to expand her work stylistically and is currently a member of the Associated Artists of the Inland Empire and the Monrovia Art Festival Association. In 2007, she won 1st place in acrylic at the Associated Artists Fall Show. Her models vary from the real life of her own family pets to the realm of nature's wildlife. Blending her vision with nature's imagery allows Laura to reflect her own personal style. Laura's acrylic works present a bright and hopeful future and reflect her love for animals.

President's Message

Hello Fellow Art Lovers!

I hope you're enjoying summertime and finding time to create. Starting this month, you'll see more "Artists' Choice" in our Artwork of the Month competition. We voted on this change at our July meeting. So bring newest creation in!

We have a Technical Assistant! Thank you to **Stan Cook** for volunteering. We still need a Video Librarian. To help, please call Margaret @ (987-2638).

Thank you to **Ryan Semple** and the Community Center staff for printing our show entry forms. It's great to have the city behind us in our efforts to promote art in the community.

Thank you to these folks from our membership who have already volunteered to help with the show: **Bev Hoyos, DJ Hermansen, GiGi Engwald-Perry, Ellen DeLorm, and Hannah Adler.**

I'm getting so excited about our Fall Show! It's just around the corner! As you are preparing your work for submission, please consider how you might be able help with the show. As they say, "Many hands make light work". We don't want to burn out the board members...after all, it is everyone's show. We need able bodies for set-up, hanging and take-down. We need willing helpers at take-in and smiley greeters for the duration of the show. In most cases it's just for 2 or 3 hours. Whatever time and effort you give will be appreciated. You can sign up to volunteer at our Aug. or Sept. meeting, or just call Shirley (909-463-6259) or myself (909-628-1457).

At our upcoming meeting you can pick up extra show entry forms, flyers and postcards to help get the word out.

I hope to see you at our meeting on August 13th!

-Karen
