

DEMONSTRATOR

ROGER FOLK HIGHLIGHTS

Recognition and growing demand for his drawings and paintings lead Roger Folk to abandon a successful commercial career as marketing art director for Disneyland, and devote himself full time to fine art. Today he is an accomplished watercolorist whose mastery in portraying a wide variety of subjects with authority and sensitivity has earned him the respect of art critics and collectors throughout the United States and the world.

Folk, who is best known for his coastscapes, paintings of shorebirds and children on the beach, also makes Yosemite National Park his studio. Since 1982 Roger has been an annual guest instructor and seminar leader. In 1986 he was invited to be the first participant in their artist-in-residence program.

Juried in as a signature member of the national Watercolor Society in 1978, he has served eight years on the Board of Directors.

Roger Folk exhibits in various judged and invitational shows annually including the Laguna Beach Festival of Arts. Two times he has been a juror for the latter, as well as many other respected shows.

SHIRLEY BONNEVILLE

Shirley Bonneville of Rancho Cucamonga developed her interest in art in high school. She won a scholarship to Chicago Art Institute, but gave that up in favor of marriage and family. She has studied oil painting with Effel Deeter, outdoor drawing and watercolor with Milford Zornes and Bob Uecker. Her interests moved to sculpture as she began studying with Carolyn Hemenway. Several years ago she attended a workshop with Joy Fink on silk painting and has excelled in that art ever since. Her favorite artistic expressions are in watercolor and sculpture, and she is especially fond of watercolor florals and sculptures of animals. Shirley has won many awards for her work.

President's Message

Greetings Artsy Friends,

It was a great show! Our judge, Chris Van Winkle, was very impressed with the caliber of work in the show, particularly in sculpture. It appears that each year the quality of submitted work improves, which makes our show more and more competitive. Does this push you to keep developing your craft? It does me! To all who entered and all who donated your time and goods: Thank you!

Remember, our NOVEMBER MEETING will be held the THIRD WEDNESDAY: NOV. 19TH.

I hope to see you soon at our October meeting.

I'm off to paint!

Karen
